

DON'T PLAY WITH FIRE

Make sure your fireplaces are supplied and fitted by registered INFO Members

The Irish Nationwide Fireplace Organisation (INFO) is the representative body of Suppliers and Fitters of Fireplaces throughout Ireland.

Only INFO Members provide a standardised and guaranteed supply & fitting service.

Only INFO Fitters can attain approved professional standards - F1 certification for Fireplace fitting.

Reduce the number of fires caused by poor installation. Reduce the number of deaths from carbon monoxide poisoning.

Use only INFO Retailers and INFO Fitters.
